From Lippincott Williams & Wilkins : BRS Neuroanatomy (Board Review Series) by Gould PhD, Douglas J., Fix PhD, James D. (2013) Paperback BRS Neuroanatomy (Board Review Series) by Gould PhD, Douglas J., Fix PhD, James D. (2013) Paperback:

2 of 2 review helpful Better than previous edition By Sarah Graff I neglected this book during my neuroscience class in favor of another title but I just realized how much better this book is The new edition is lightyears ahead of the prior and has a boat load of questions Of the other review style books this is my favorite for explanations and great illustrations 3 of 3 review helpful
