From Saunders : Netter's Correlative Imaging: Neuroanatomy: with NetterReference.com Access, 1e (Netter Clinical Science) Har/Psc Edition by Lee MD, Thomas C., Mukundan Jr. MD PhD, Srinivasan (2014) Hardcover Netter's Correlative Imaging: Neuroanatomy: with NetterReference.com Access, 1e (Netter Clinical Science) Har/Psc Edition by Lee MD, Thomas C., Mukundan Jr. MD PhD, Srinivasan (2014) Hardcover:

1 of 1 review helpful Easy to fix for next edition but this refers to Kindle version on iPad By Customer The illustrations are good The radiologic images however are just a bit hard to see And unlike others in this series the image captions are part of the picture not text Hence not searchable I have kept it but this significantly diminishes the ease of using the book
